LIGHTING THE WAY TOGETHER

There is still time to sign up for this year's IACP Forum in San Diego, which starts Thursday, October 28th and goes through Sunday, October 31st, 2021! This year's theme is "LIGHTING THE WAY TOGETHER" and promises to be stimulating, inspirational and fun. If you can't be with us, please sign up for the programs that will be offered virtually throughout the weekend. In-person participants will have the benefit of viewing virtual programs in addition to those they attend.

Thursday and Friday's Pre-Forum Institutes ("PFI") kick off the weekend's events, featuring Jacinta Gallant, Nancy Cameron, Victoria Smith, Deborah Gilman and many others.

If you can't make any of the PFI's, the main event starts Friday evening at 5:30 pm. with a cocktail hour and networking reception that weaves into dinner and Opening Ceremonies!

The Forum cost is refundable (minus a small administrative fee) IF registration is cancelled by October 27th, no questions asked.

Reserve your hotel room now with Sheraton San Diego Hotel & Marina to guarantee your spot and note that your reservation can be cancelled within 48 to 72 hours before your reserved check-in date, with no penalty. To make your reservations, call 888-544-2523.

For anyone who has not yet received the Collaborative training, registration is also open for in-person Introductory Interdisciplinary Collaborative Training that will take place at the same time as the Forum PFI's (Thursday, October 28th and Friday, October 29th, also at the Sheraton San Diego).

Those who are not already IACP members will receive a free one-year membership with their non-member registration for this training, and they will then be eligible for the member discount at Forum, too!

Rest assured that IACP is taking safety precautions for COVID - all in-person registrants are asked to have received the full vaccine and will be required to wear masks.

Dine-arounds and the Saturday evening social/dance are always a great opportunity for all who attend to unwind and let our hair down.

Ann Buscho, Carol Hughes, and Stephen Sulmeyer, three of our own CPCAL members are presenting at this year's Forum – be sure to sign up!

From the PEC:

This could be HUGE! Let's all embrace Divorce With Respect Week

I was on a business trip with my husband this week and had many opportunities for the "elevator pitch." It remains disappointing to me that so few people have even heard about Collaborative Divorce! We've been struggling for decades to get on the radar of our potential clients and referral sources...and finally we are going to have an opportunity to work together with the rest of the Collaborative community to create something that could be in the headlines. Sign up! Let's make Collaborative the first thing people think about when they are considering divorce.
